April 8th 1921.

To The Board of Pardons of the State of Minnesota,  
Gentlemen:

I wish to call your attention to the case of  
Gilbert H. Stephenson, lately sentenced for an alleged  
participation in a riot in the City of Duluth, on June 15th  
last.

I have known him since 1910, and have never known  
of him getting into trouble of any kind, but has always been  
an industrious; and law abiding citizen.

As to the merits of his case I am not acquainted,  
but feel that knowing him as I do, I do not believe him guilty  
of the deed of which he is charged, and in justice to him and  
his brothers, think that an investigation ought to be made  
and a pardon granted.

Yours Respectfully.

  
Cashier Farmers State Bank.
